Membership Vision

To show continued growth and thrive through the dedication and involvement of members at all levels of the organization.

Membership Mission

Recruit, retain, and mentor a stable membership base, including all generations of veterans, which is well-versed in institutional knowledge and actively involved at all levels of the organization.

Introduction

For the past several years, the VFW has been relatively successful in recruiting members aged 39 and younger. The only way to make this success permanent is to retain those members, recover past members, and recruit new members. We must improve the way we communicate with our members at all levels of the organization. Does your Post, District, State or Department have a newsletter, email, or an outreach team that visits fellow members? In many cases, we have lost touch with our members. We need to know who they are and what their needs are. Let's get back to basics—our first priority is taking care of our members and the veteran community as a whole.

Membership Goals

1. Build a strong organization for the future.
2. Work together to achieve the VFW's goals. The VFW National Headquarters staff is here to assist in coordinating programs, developing new membership initiatives and building awareness among our membership and the entire veteran community.

Membership Benchmarks

- Recruit new and recover unpaid members
- Retain existing membership
- Increase life membership
- Increase legacy life membership

Retention Defined

Although retention is ***not*** a prerequisite for the All-American program, it is extremely important to understand how retention is derived and the important role retention plays in accomplishing growth. The number of paid annual members in your Post on July 1 is your ensuing year's "prior year total." One more new or recovered member is required to make up for each prior year annual member the Post fails to retain.

Your Post retention is derived from six types of payment components based on your prior year total of annual members:

- A prior year annual member pays his or her annual membership dues.
- A prior year annual member pays the life membership installment fee.
- A prior year annual member pays for life membership dues.
- A prior year annual member transfers to another Post and pays his or her annual membership dues.
- A prior year annual member transfers to another Post and pays the life membership installment fee.
- A prior year annual member transfers to another Post and pays life membership dues.

Life Membership Amnesty

All life members who are reported deceased between July 1, 2016 and Aug. 31, 2016, will be removed from the Post rolls and the Post's prior year membership count will be adjusted accordingly.
